

Coach's Contract Agreement

Name: _____ WWCC # : _____

Address: _____

Mobile: _____ Email: _____

I agree to the following terms:

- To provide a safe and fun basketball environment for kids, parents, officials and spectators alike.
- To agree to ensure that all players within the team receive equal court time, therefore providing the opportunity for all players to develop their skills and enjoy basketball equally. Having no or little court time can cause players to suffer from morale problems and they can lose interest in the sport altogether. All players need and deserve reasonable court time. **This is not negotiable.**
- Avoid overplaying the talented players. Talented players can burn out.
- Keep your knowledge current and teach knowledge and respect for the rules of basketball.
- Show respect to officials and acceptance of their judgement. Accept bad calls graciously. Abuse of referees is unacceptable behaviour that is not tolerated. Thank the refs and/or shake their hands after every game.
- Instil in your players respect for officials and an acceptance of their judgement. Teach them to also accept bad calls graciously.
- Be a fair winner and a good loser. Guide your players to follow suit.
- Act responsibly when players are injured.
- As well as imparting knowledge and skills, promote personal and social behaviours.
- Ensure that any physical contact with a player is appropriate.
- There is to be no consumption of alcohol/illicit drugs before/during match/training.

Expectation:

- To take training session once a week.
- Arrive at the stadium at least ten minutes before game time.
- Coaches are not to cancel training under any circumstances. If the coach is unable to attend, the team manager should be notified and an alternative Coach/arrangement will then be organised.
- Develop team respect for the ability of opponents, including their coaches. This includes congratulating them at the end of each game whether they win or lose and accepting loss gracefully.
