

PLAYER/PARENT EXPECTATIONS POLICY

As a member of the Mill Park Rebelz Basketball Club, there are certain requirements for players/parents of players or associates. These include:

- All players are expected to attend ALL training and games. If the player is unwell, a phone call to the player's Team Manager should be made in a timely manner.
- All players are to attend games 10 minutes prior to commencement time to allow for an adequate warm up period, thus decreasing likelihood of injuries.
- All players and parents are expected to adhere to any Covid requirements as stipulated by the venues or league/Government regulations: wearing of face masks, social distancing, entry and exit procedures amongst others.
- All players are expected to attend games in full Mill Park Rebelz Basketball Club uniform.
- All players are expected to wear appropriate footwear to take the court.
- All parents are expected to be allocated, and participate in, scoring duties throughout the season. If the allocated scoring roster is non-feasible, swapping between parents is allowable. However, all parents must notify the Team Manager that a swap has been made. Education on scoring, both sheet/computer and time clock, will be undertaken by the Team Manager.
- Players/children aged 16 years or under are to be fully supervised at ALL venues at ALL times. Those aged 16 years or under are not, under any circumstances, to leave a venue unaccompanied by a responsible adult.
- Players over 16 may be in attendance at games and training unaccompanied by an adult unless venue requirements, or league or Government regulations stipulate otherwise. This may also be determined on an individual case by case basis by the Club Committee if concerns are raised.
- Families must ensure that the player and accompanying parent/guardian/responsible adult meet the requirements for entry to venues. This may include adherence to laws, regulations or health orders in place at the time of competitions and training.
