## Rebelz NEWSLETTER 2019

We welcome you to the Mill Park REBELZ Basketball Club. 2019 sees more growth as more and more children are signing up to play. We are now half way through the grading games and the teams, coaches, team managers and administration are just about ready.

With the clubs rapid and continual growth, it is imperative (more now than ever) that we stick by our clubs' policies and procedures. These have guided us to be the successful, fair and quality club that players and parents all want to be a part of.

We pride ourselves with the way that the club caters for all kids with varied abilities and treat everyone equally.

Our internal grading system allows the club to establish an even level playing field providing competitive teams and helps our players learn, grow and play basketball by having some fun and enjoyment along the way.

We do encourage you to make yourselves familiar with the processes and policies on our website

[www.millparkrebelz.com.au](http://www.millparkrebelz.com.au) We wish you all the best for a terrific season.
